Kathy,  
Sorry I cannot read these emails on my phone. My laptop is not picking up email for some unknown reason.

Cabrera Services wishes to rescind the October 27, 2010 notification of license use at Schofield Barracks, Hawaii. The subject notification was utilization of a licensed source for calibration of an onsite gamma spectroscopy at the Army base.

Cabrera wishes to retain the option of resubmitting this notification at a later date.

Sincerely,  
Henry Siegrist
