In the Matter of

Docket # 50-293-LR

Entergy Corporation

ASLB No. 06-848-02-LR

Pilgrim Nuclear Power Station

License Renewal Application

October 21, 2010

**SUPPLEMENT TO SEVENTH DISCLOSURE STATEMENT BY PILGRIM WATCH**

Pilgrim Watch responds to Entergy's letter of October 20, 2010 where Mr. Gaukler noted that the Pilgrim Watch's seventh disclosure was not accompanied by a sworn affidavit, citing 10 C.F.R. 2.336 (c).<sup>1</sup> Old habits are hard to break; hopefully a new one has been formed. Pilgrim Watch now provides a supplement to this disclosure with an affidavit and will make every effort to continue in subsequent disclosures.

**STATEMENT BY PILGRIM WATCH**

Thorp, Jennifer E., Eastern Massachusetts Sea Breeze Study, Thesis Submitted to Plymouth State University in Partial Fulfillment of the Requirements for the Degree of Master of Science in Applied Meteorology, May 2009. (*Document Attached To Email, Disc Provided Upon Request*)

Angevine, Wayne M., Michael Tjernström and Mark Žagar\* Journal of Applied Meteorology and Climatology 2006; 45: 137-154 Modeling of the Coastal Boundary Layer and Pollutant Transport in New England, <http://journals.ametsoc.org/doi/full/10.1175/JAM2333.1>; or <http://journals.ametsoc.org/doi/pdf/10.1175/JAM2333.1>

<sup>1</sup> 10 C.F.R. 2.336(c) Each party and the NRC staff shall make its initial disclosures under paragraphs (a) and (b) of this section, based on the information and documentation then reasonably available to it. A party, including the NRC staff, is not excused from making the required disclosures because it has not fully completed its investigation of the case, it challenges the sufficiency of another entity's disclosures, or that another entity has not yet made its disclosures. All disclosures under this section must be accompanied by a certification (by sworn affidavit) that all relevant materials required by this section have been disclosed, and that the disclosures are accurate and complete as of the date of the certification.
