Gary Robertson, Director
Office of Radiation Protection
Department of Health
P.O. Box 47827
Olympia, WA 98504-7872

Dear Mr. Robertson:

On behalf of your friends and colleagues at the U.S. Nuclear Regulatory Commission (NRC), and in particular, the Office of Federal and State Materials and Environmental Management Programs and Region IV, we wish you the very best in your retirement. I want to personally recognize your 31 years of faithful and exceptional public service provided to the State of Washington. During that time, you made many noteworthy contributions to the Organization of Agreement States, Inc. (OAS), the Conference of Radiation Control Program Directors, Inc. (CRCPD), the International Atomic Energy Agency (IAEA) and the NRC. Your many years of service with the State of Washington have significantly strengthened the State's relationship with the NRC.

The nation has benefitted from your technical expertise and continued excellence in fostering a positive working relationship among the NRC, OAS, CRCPD, IAEA, and related organizations. We are truly grateful for your many contributions and your efforts to help ensure consistent high standards of quality in radiation protection programs across the nation.

Our best wishes and thoughts are with you and your family for happiness and good fortune throughout your retirement.

Sincerely,

/RA/

Charles L. Miller, Director
Office of Federal and State Materials
and Environmental Management Programs
