Hi Dave,

Yes, I noticed the same things that you stated in the email below with respect to annual update requirements for the ESP.

I have presented the question to our attorney's and I am awaiting their response. As soon as I hear back from them, I'll let you know.

Thanks

Janelle

Subject: COLA FSAR Annual Update Requirement

Janelle – The COLA FSAR annual update requirement is clearly specified in 10 CFR 50.71(e)(3)(iii). I can not find any such requirement for the ESP application SSAR/ER.

10 CFR 50.30(a)(3) specifies that each applicant for an ESP under Part 52, shall upon notification by the ASLB, update the application and serve the updated copies as directed by the ASLB. This is to support public hearings, and it is the only update requirement I find for an ESP application.

Thanks.

Dave Distel
