Good Morning Dave,

In the June 8, 2010 acceptance letter to Ms. Kray, the U. S. Nuclear Regulatory Commission (NRC) informed you that a detailed technical review schedule would be developed and submitted to you by August of 2010 for the Victoria County Station Early Site Permit application. Attached is a courtesy copy of that schedule letter.

The letter can be found in ADAMS at ML102080704.

Please do not hesitate to contact me with any questions.

Janelle
