Hi Dave

I forwarded the invite to Prosanta. And while he accepted the invite, he may not make the call. He has a meeting that occurs at the same time. If he is able to make the call, his purpose is to get an idea of how these calls will be conducted since he will begin to hold the same type of call with PSEG and also to address any questions that may come up regarding the reference portal and how it was handled for them.

I hope this answered your question

Janelle

Janelle – I received an acceptance email from Prosanta Chowdhury for our first weekly status call on 9/22/10. Did you forward the invite to Prosanta? If so, is it to discuss the use of the online reference portal, or something else?

Thanks.
