Janelle – Sounds good. I will issue the weekly calendar invite in Outlook. We can just cancel the 9/29 call if it is not needed.

Thanks.

Hi Dave,

We are good to go for the first 10 am standing call for the VCS ESP application on Wednesday, September 22nd. Please send the scheduler to both Tomeka and me.

Janelle.Jessie@nrc.gov
Tomeka.Terry@nrc.gov

Just a note...I requested the call on the 22nd so that we could hold at least one call prior to beginning the full review in October. I chose the 22nd as opposed to the 29th to hold the first call because I will not be in the office on the 29th. If Tomeka is not available for the call on the 29th, we will hold the next call on October 6th and proceed with weekly calls from that point on. Please let me know if any of this is confusing or if you have any further questions.

Thanks

Janelle

Thanks Janelle. Also, I believe that you were going to check to make sure Wednesday's at 10:00am EDT is a good time for NRC folks for our standing weekly call. Please confirm the time and the NRC invitees, and then I will issue the Outlook invitation to all to start on 9/22.

Thanks.

Hi Dave,

At this time, I don't have an exact time frame to share with you. However, the soonest I anticipate them being issued is sometime next month.

Thanks

Janelle

Janelle – Thanks for the feedback. Any idea when the supplemental RAIs may be issued?

Thanks.

Good Morning Dave,

Yes, I spoke to the reviewer this morning. The response that was provided for RAI 2.5.1-1 satisfied the request for additional information in some areas while also introducing new information to the reviewer. As a result of the new information introduced to the staff, supplemental RAIs will be forthcoming.

Thanks

Janelle
