**Subject:** RE: Exelon Hydrology Audit Site Visit Overview Presentation

Dave,

Please excuse me if I asked this of you already, but is there any information in the overview presentation that should not be made publicly available?

I wanted to double check to make sure before I added it to the summary. If there is anything that should not be shared with the public, please resend a version of the presentation that does not contain that info so that I can attach it to the summary.

Please let me know either way.

Thanks

Janelle  
301-415-6775
