Subject: Upcoming Site Visit to Victoria County Station

Good Morning David and Joshua,

On Wednesday, you shared with me that we should account for an added 20 minutes of travel time from the meeting close location in Tivoli, TX near the intake canal location to the airport. I checked on this and the earliest flight on our end is scheduled to depart at 4:55pm on Monday, October 18th, so we will have to ensure that we are done by 1pm at the latest to allow enough drive time to the airport.

I met with the lead reviewer on yesterday to discuss the proposed final agenda for the upcoming visit and we found no major issues with it. I do ask, however, that you remain flexible and maybe spend a little less time in some areas than others depending on the staff's interest once the day begins on the 18th.

We appreciate your patience and effort in making preparations for this visit.

I'm in today and tomorrow if you have any questions, so please feel free to call me.

Thanks

Janelle
