Subject: About MACCS2

Dear Prof.

I am PENG Changhong from China. Our institute plan to develop the Level-3 PSA in the soon future. So we need to know some information about MACCS2 (MELCOR Accident Consequence Code System). Would you like to tell us the following informations:

1) Can we buy the software?

2) How about the price?

Thanks for your reply!

Yours Sincerely;

PENG Changhong
