You, or your representative, and a guest are cordially invited to our annual offsite agency dinner meeting for the offsite emergency response support personnel. This dinner meeting is for the offsite agencies that support the Offsite Emergency Plan for Quad Cities Station. This meeting is held in appreciation of your support and is an opportunity for Exelon Managers and Offsite Emergency Support Personnel to meet.

The meeting will be held on December 9, 2010 at Rastrelli's Restaurant, 238 Main Avenue, Clinton, Iowa. We have enclosed a map for your convenience along with the evening's agenda.

Also enclosed are two attachments, which provide information about the public document room for Quad Cities Station and offsite evaluations. The public document room contains correspondence between the NRC and the utility. Contact the Vice President of Security & Emergency Preparedness, if you want to receive a copy of any of the evaluations that relate to your agency.

The enclosed pre-addressed RSVP card will ensure reservations are made in your name. Please print the information on the card and mail it no later than November 24, 2010.

If you have any questions, contact me (630) 657-4674 or Temple Wells (630) 657-4653.

Sincerely,
