Subject: Notice of Transition of Temporary Field Activities at the Former Naval Station in Puget Sound

Dear Sir;

03037850

This letter is formal notice that Shaw field activities with radioactive materials at former Naval Station Puget Sound in Seattle, Washington under our Materials License Number 20-31340-01 have been transitioned to Washington State Radioactive Material license WN-L0237-1 as of October 7, 2010.

All radioactive materials generated at the Seattle temporary job site continue to be controlled by Shaw and were transferred to the Washington State license on October 7, 2010.

Mr. Tom Peterson, 207.939.4886 is the License Radiation Safety Officer for the subject NRC license and Mr. John Massey is the License RSO for the follow-on Washington State radioactive materials license.

If additional information is required please contact Mr. Peterson at the numbers listed.

Sincerely,

Thomas A. Peterson
Radiation Safety Officer
Shaw Environmental & Infrastructure, Inc.
