**Subject:** Letter to Don Simpson at BLM

Andrea I talked with Irene about the letter to BLM Wyoming office on the request to be a cooperating agency on Hank Nichols. I have not signed the letter yet. Before I sign I would like to have a conversation with BLM, DEQ and us. Please arrange a conference call with Don Simpson, Don McKenzie, and us. The purpose of the call is to review the letter and have us all agree that the letter has the right message in it. NRC will not be agreeing to the request to be a cooperating agency - but there may be some additional language we can include about the requirements of the three agencies processes. Please forward the incoming and the proposed response to the people who will be participating in the call. If possible let's have the call this week. Thanks.
