Hi Jennifer and Briana,

Just to clarify, we did receive the original reports from Irene. Sorry for the confusion on that issue.

Thanks,

Hi Richard,

Can we plan for a call tomorrow, Wednesday, at 1:30pm MST/3:30pm EST between you, our NRC archaeologist (Jennifer Davis), and me to discuss the status of the 106 Consultation with Nichols Ranch?

We can call your office phone at that time, so I won't set up a bridge line unless you have someone else you might want to include on the call.

I appreciate you taking the time to talk with us and your patience as we at the NRC transition project managers. I have been coordinating with Irene Yu closely, who you had previously corresponded with, and will continue to do so to ensure that the 106 Consultation continues to move forward.

Thanks,

Briana
