Thanks, Eric. I will keep you posted on revisions to the figures. If you would like a hard bound copy of the SEISs, we can certainly provide them. Please let me know.

Andrea-

Thanks again for notifying me of the extension of the public comment period for the above SEISs. Per the teleconference conversation yesterday, please see below the list of figures from the SEISs that are illegible. For your information, I don't have any of the SEISs in their bound hardcopy versions - I am working off the PDFs downloaded from the NRC's website. I reviewed the PDFs at 125% of their original size, in order to be able to see the smaller print without sacrificing resolution. Under those circumstances, I was still unable to read all or part of the following figures.

D/9

Nichols Ranch SEIS:

Fig. 1-1, p. 1-3
Fig. 2-2, p. 2-3
Fig. 2-3, p. 2-4
Fig. 2-7, p. 2-9
Fig. 2-8, p. 2-10
Fig. 3-1, p. 3-2
Fig. 3-3, p. 3-9
Fig. 3-5, p. 3-12
Fig. 3-6, p. 3-17
Fig. 3-7, p. 3-18
Fig. 6-1, p. 6-2
Fig. 6-2, p. 6-3
Fig. 6-3, p. 6-3
Fig. 6-4, p. 6-4
Fig. 6-8, p. 6-10
Fig. 6-9, p. 6-11

Moore Ranch SEIS

Fig. 3-5, p. 3-9
Fig. 3-10, p. 3-20
Fig. 3-12, p. 3-38

Lost Creek SEIS

Fig. 2-6, p. 2-9
Fig. 3-9, p. 3-23
Fig. 6-2, p. 6-4
Fig. 6-4, p. 6-6

Given the fairly short timeframe in which to submit comments, even in light of the extension, I'd be grateful if the NRC could make legible copies of these figures available as soon as possible.

Please feel free to contact me if you have any questions or need additional information.
