Briana,

I am sending out today two copies of the Class I Literature Review that we have put together for the Nichols Ranch ISR Project along with a cover letter and confidential information affidavit to you via overnight Fed Ex. The package is addressed to you and should be there tomorrow. If you do not see it tomorrow, then please let me know so that I can track down where the package is at.

Mike,

Yes, my office is physically located in Two White Flint, but my mailbox is in One White Flint, where my old office was. I assume at some point in the future I will have an office and mailbox in the same building, but for now, I am just checking back in at the other building 1-2 times per week to get mail.

Have you sent out the Aracadis report? I haven't seen it come in yet. Thanks,

Briana
