Attn: Mr. Sattar Lodhi

Dear Mr. Lodhi,

This letter is to inform you of the status of the Nuclear Density Gauges at Caribbean Quality Control in St. Croix, U.S.V.I. We have four (4) gauges consisting of one (1) Humboldt and three (3) Troxler models. The Gauges are licensed and were previously stored at the physical address of our office which is as follows:

Caribbean Quality Control  
86A Castle Coakley  
#7  
St. Croix, U.S.V.I.

**Caribbean Quality Control is no longer in operation. All licensed activities with the Nuclear Density Gauges have ceased. The gauges are in locked storage at the following physical address:**

Sun Self Storage  
41A Barren Spot  
St. Croix, U.S.V.I. 00851

Storage Unit B13

Please send all correspondence to either the P.O. Box 45 address listed at the top of this letter or the email address/phone numbers listed below. Thank you very much for your cooperation.

Cordially,

*FD* Kenneth D. Eastman  
President
