NRC CHAIRMAN TO VISIT FERMI 2 NUCLEAR POWER PLANT ON MAY 30

Richard A. Meserve, the Chairman of U.S. Nuclear Regulatory Commission, will visit the Fermi 2 Nuclear Power Plant on May 30, and will be available to meet with news media representatives at 5:00 p.m. when he completes his visit. The plant is operated by DTE Energy.

The Chairman will tour the facility and meet with NRC resident inspectors, other NRC personnel, and utility and plant managers to discuss operations, safety and security measures at the plant.

Chairman Meserve will meet with media representatives at the City Council Chambers, Monroe City Hall, 120 East 1st Street, Monroe.
