Can staff support 6/24 instead of 6/8 (Dr. Abdel-Khalik has a conflict)? Also please confirm that AIA DCD amendment is not coming to ACRS before September. The 6/8 and 6/24 dates were originally earmarked for AIA DCD amendment, but can now be rescheduled for COLA. Please note, a Subcommittee cannot write a letter. If you need an interim letter you have to come to the Full committee with Chapters sans 2 and 3.

Please respond at your earliest convenience.

Thanks much.

Maitri

Maitri,

First, thanks to you and all of the members of the Subcommittee for what we thought was a very productive day. Second, Mark and I looked at our schedule and this is what we think.... We would have no problem presenting the remaining chapters on June 8, 2010. We would, however, like to get an interim letter from the Subcommittee on the SER with the exception of Chapters 2 and 3. This will allow us to proceed with Phase 4 confident that we understand the Subcommittee's open items. As soon as we have all of the relevant technical information in house we will request Subcommittee dates for Chapters 2 and 3 and we will propose a date for presentation to the full Committee. So going forward it would look like this....

03/02 - 1, 4, 11, 12, 15, 18 (Done)

03/18 - 5, 8, 16, 17

05/20 - 6, 7, 14

06/08 - 9, 10, 13, 19

To be determined - 2, 3, full Committee

How does that sound??

Thanks,

George
