Do you have the original email sent to NRO? Stu Richards would like to see it.

Mekonen,

Have you heard anything back from NRO? Per attached memo, ACRS has decided not to review this RG.

**Subject:** RE: RG 1.54 Protective Coatings

John,

I have the record of NRR concurrence but not that of NRO's. I have sent an email and I am waiting that email. The due date is today. Please send me if you have email from NRO that confirms their concurrence.

The next step after the concurrence, I will send to OGC & ACRS. OGC takes about 2 weeks, but ACRS may take longer as they do not meet regularly.

After their concurrence, next is publication.

Mekonen

**Subject:** RG 1.54 Protective Coatings

What is the next step for final approval of this RG revision? I was told NRR and NRO have concurred on it.
