John,

There was delay in the reviewing due to staff unavailability in NRO.

They will have it by next week.

The tech staff is reviewing it. I have to request concurrence from DD when they are done. I expect concurrence with or without comments next week.

John,

I sent this package to NRO (Sheryl) to distribute to the staff for review. I talked to her last week and they seem to be a little although it was due on 9/8/10.

Sheryl & Holly,

I need the review be completed by September 8, 2010. I have attached Regulatory Guide RG 1.54 Rev 2 "Service Level I, II, and III Protective Coatings Applied to Nuclear Power Plants." It was issued as DG-1242 for public comments.

Note: The final guide has the Regulatory Analysis Section in separate files now. To ease the review, I have also attached the word file for guide including the RG Analysis..

Thanks.

Note 2: NRR: Wong, Emma; Cruz, Holly; Yoder, Matthew

NRO: Laura Dudes concurred for Tom Bergman before for DG 1242.

Note 3: I have also included the word files should that need to make any suggested changes.
