Subject: Constructability Review of the Crescent Junction Disposal Cell, Moab, Utah,
Uranium Mill Tailings Remediation Project (UMTRA)

Dear Ms. Conway:

This letter is to document our interaction with the Nuclear Regulatory Commission during the first constructability review of the Crescent Junction disposal cell held on November 17, 2001.

In relation to this constructability review and site visit, enclosed is the requested information and data for the cell placement, specifications, and procedures.

We thank you and your staff for conducting the constructability review. If you have any questions, do not hesitate to call me at (970) 257-2115.

Sincerely,

A handwritten signature in black ink, appearing to read "Donald R. Metzler", is written over the word "Sincerely,".
