**Subject: Adding Cobalt 57 XRF Devices to License and
Changing the Radiation Safety Officer
Control Number - 573423
NRC License Number 24-26620-01**

Dear Mr. Herr:

In a letter dated August 27, 2010, Shively Geotechnical, a Division of Environmental Operations, Inc., requested that our license be modified to accommodate the change of our radiation safety officer (RSO) from John Shively to Mark Conder. In Mark Conder's absence, Donn Haines would stand in as an alternate RSO.

By his signature below, Mark Conder accepts the RSO position and confirms that he understands the duties and responsibilities associated with the position. By his signature below, Donn Haines accepts the alternate RSO position and confirms that he understands the duties and responsibilities associated with the position. Mr. Haines understands that as the alternate RSO, he will act as the RSO only in the physical absence of the RSO.

Mark Conder, Date 11/24/10

Donn Haines, Date 11/24/10

I have provided copies of the training certificates for Conder and Haines. Please call me at 314-397-3556 (cell) or at my office at 618-398-1414 with any questions that you may have about this letter.

Sincerely,

Shively Geotechnical
A Division of Environmental Operations, Inc.

John E. Shively, P.E.
Vice President and Radiation Safety Officer
