

NOV 19 2010

LES-10-00251-NRC

ATTN: Document Control Desk
Office of Nuclear Material Safety and Safeguards
U. S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Louisiana Energy Services, LLC
NRC Docket Number: 70-3103

Subject: Reply to Notice of Violation 70-3103/2010-001 – Part 1 Supplement
No. 2

Reference: Letter from LES to NRC, LES-10-00134-NRC, Reply to Notice of Violation
70-3103/2010-001, dated September 20, 2010.

The date in the referenced URENCO USA (UUSA) letter for scheduled completion of Corrective Actions for steps that will be taken to prevent further violation for Violation A, Examples 1 and 2 (Action 3, as captured in CR-2010-1603 Action 4) was not completed on time. CR-2010-3664 was written to document this issue.

CR-2010-1603 Action 4, with a CAP due date of 9/30/10 was completed as scheduled. Our commitment in LES-10-00134-NRC, however, states that full compliance will be achieved for this action by 9/15/10. The assigned CAP due date for this action was scheduled incorrectly and resulted in the action not being completed within the period established in LES-10-00134-NRC.

Should there be any questions concerning this submittal, please contact Wyatt Padgett, Licensing Manager, at 575.394.5257.

Sincerely,

David E. Sexton
Chief Nuclear Officer and Vice President of Operations
