ADJUDICATIONS STAFF

Dear Paul and David:

In Paul Gaukler's October 20 letter, he said that, "[Y]our Sixth and Seventh Disclosures included a number of documents that are either not easily accessible on the internet or are large documents for which citations are necessary. We ask that you provide all of the documents listed in Attachment 1 ...via email or CD by mail. We also request that you provide specific page citations for the larger documents so noted in Attachment 1."

Pilgrim Watch has inserted page citations in the list provided by Entergy for larger documents as requested. However, we were informed by NAS and other Journals that we could not provide copies because it was in violation of copyright law. Therefore we have done the best that we can do to accommodate your request.

The documents in Disclosure 7 that you requested copies were included in the disclosure solely because they were listed on Dr. Bruce Egan's CV. We do not intend to rely upon their substance. Hence it should not be necessary to provide copies.

Please see the Attachment. If there still remains an issue on your part, please contact me and we will see what sort of accommodation we can reach.

Sincerely,

Mary Lampert
