Rob,

Attached please find the subject request for additional information (RAI). The draft of this RAI was sent to you on November 26, 2010. In a phone call on December 2, 2010, you informed us that UniStar does not need a clarification phone call for this RAI and the RAI can be issued final.

The schedule we have established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. For any RAIs that cannot be answered within 30 days, it is expected that a schedule date for submitting your technically correct and complete response will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the review schedule.

Your response letter should also include a statement confirming that the response does or does not contain any sensitive or proprietary information.

Thanks.

Request for Additional Information No. 281 (eRAI 5278) Revision 6

12/2/2010

Calvert Cliffs Unit 3
UniStar

Docket No. 52-016

SRP Section: 01 - Introduction and Interfaces
Application Section: Chapter 1

QUESTIONS for Financial, Policy, & Rulemaking Branch (NRR/DPR/PFPB)

01-13

Follow-up to RAI 263, Question 01-12

On July 13, 2007, UniStar Nuclear Operating Services, LLC (UniStar) and Constellation Generation Group (Constellation) applied for a reference combined license for Calvert Cliffs Unit 3 Nuclear Project. On November 3, 2010, on behalf of UniStar, counsel for Calvert Cliffs Unit 3 Nuclear Project filed a letter with the Atomic Safety and Licensing Board panel indicating that Electricite de France (EDF), a foreign business entity, had acquired Constellation's 50 percent interest in UniStar. On November 4, 2010, Constellation filed a Schedule 13D with the United States Securities and Exchange Commission confirming that this transaction between Constellation and EDF had been completed on November 3, 2010.

Prior to this transaction the U.S. Nuclear Regulatory Commission (NRC) issued request for additional information (RAI) 263, Question 01-12 (ML102640034) that requested, among other items, clarifying information on foreign ownership, control and domination. Given the information discussed above, the staff intends to request the following information:

In view of the fact that EDF is a foreign entity and apparently now possesses 100% ownership of UniStar, please justify how UniStar complies with the requirements of 10 CFR § 50.38, "Ineligibility of Certain Applicants."
