Re: License 11-27384-01

Dear Michelle,

This is a notification that we are going to move back into our old main nuclear medicine suite, which is remodeled as described in the previous letter submitted on January 19, 2010, and we are going to vacate the temporary area of use.

Only procedures permitted under CFR 10.35.100 and CFR 10.35.200 were performed in the temporary nuclear medicine suite. The main nuclear medicine suite was not used during the remodel, and all licensed material will be moved back to the main nuclear medicine suite. The planned move date is November 30th, 2010.

Please let us know if you need additional information.

Sincerely,

Tea Shi
Physicist, Radiation Safety Officer
