RE: Notification of Transaction Between Sibley Memorial Hospital and The Johns Hopkins Health System Corporation (Medical Use of Nuclear Materials License # 08-07398-03)

Dear Ms. Lanzisera,

As you may know, on November 1, 2010 Sibley Memorial Hospital (“Sibley”) was integrated into The Johns Hopkins Health System Corporation (“JHHS”). This integration took the form of a member substitution agreement. Specifically, JHHS obtained certain reserve rights to approve some fundamental corporate events and the authority to appoint the trustees of Sibley. However, the transaction was not a change in ownership. Sibley’s senior management team and operating personnel, including physicians, have not changed. Additionally, Sibley’s name, physical address, facilities, equipment, policies and procedures, tax identification number and national provider identifier have not changed. Therefore, we understand that this letter is sufficient notification of the transaction.

Should you have any questions about this transaction, please feel free to contact Mr. Jeffery Joyner, Vice President of Professional Services at 202.243.2376 or [jjoyner@sibley.org](mailto:jjoyner@sibley.org). Thank you for your time and consideration.

Sincerely,

Robert L. Sloan  
President and Chief Executive Officer
