### **NRC TO HOLD PUBLIC MEETING ON SAN ONOFRE NUCLEAR GENERATING STATION**

The U.S. Nuclear Regulatory Commission staff will meet with Southern California Edison Co. (SCE) officials on Dec. 14 to discuss the status of performance improvements at San Onofre Nuclear Generating Station. SCE operates the plant, located near San Clemente, Calif.

SCE officials will describe their progress in improving human performance, problem identification and resolution, and safety conscious work environment at the plant.

The meeting, which will be open to public observation, will begin at 6 p.m. in the Trestles Room of the Doubletree Guest Suites at 34402 Pacific Coast Highway, Dana Point, Calif.

The public will have an opportunity to observe and ask questions of NRC staff before the meeting is adjourned.

Additional information on the topics of discussion is available in the March 3, 2010 annual assessment letter at:
