In the Matter of
Pa'ina Hawaii, LLC
Docket No. 30-36974-ML; ASLBP No. 06-843-01-ML

Dear Administrative Judges:

On December 6, 2010, the NRC Staff updated its hearing file and mandatory disclosures in this proceeding. At that time the Staff provided the Board and the other parties with an index listing documents added to the hearing file (Attachment 1 to the Staff's December 6, 2010 filing). The Staff has since determined that two of the documents in the Hearing File Index, although closely related to documents upon which the Staff relied, were not the specific documents used by the Staff in its review. The Staff is thus filing a corrected Hearing File Index (Attachment 1 to this letter). The attached index provides updated information for documents 00 and 02 in the original index.

The Staff has also learned that there was a slight delay in publishing documents in the Electronic Hearing Docket (EHD) maintained by the NRC's Office of the Secretary. As a result, some documents in the Staff's Hearing File Index may not have been available through the EHD until yesterday, while a few documents may not have been available until today. The Staff has confirmed that all documents in its Hearing File Index have now been moved to the official EHD folder. The Staff regrets any inconvenience this delay has caused the Board or the other parties.

Sincerely,

/RA/

Michael J. Clark
Counsel for NRC Staff
