Dear Dr. El Naggar:

As you know, the State of New Jersey became an Agreement State on September 30, 2009. On December 17, 2009 NJDEP contacted FMC to inform them of the need to issue new financial assurance documents with the State of New Jersey Department of Environmental Protection (NJDEP) as the beneficiary. On June 10, 2010 NJDEP received an amendment request from FMC that requested possession limits to below that which required financial assurance. NJDEP issued the amended license on October 27, 2010.

By copy of this letter, NJDEP notifies the Nuclear Regulatory Commission (NRC) that FMC no longer requires financial assurance. Therefore, the financial assurance documents held by the NRC can be cancelled and returned to FMC.

If you have any questions, please contact Dennis Zannoni at 609-777-4252 or Jenny Goodman at 609-984-5498.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Patricia Gardner". The signature is fluid and cursive, with a large initial "P" and a long, sweeping underline.
