Subject: Re-submittal of PWROG Topical Report WCAP-16294-NP-A, Revision 1, "Risk-Informed Evaluation of Changes to Technical Specification Required Action Endstates for Westinghouse NSSS PWRs" (MD5134).

Project Number: 689

The enclosed documents were electronically submitted via NRC's EIE system on December 18, 2010, but were rejected. According to an electronic notification forwarded by Ms. Angelina Buan, on December 18, 2010, the enclosed EIE submittals were not submitted in accordance with specifications contained in NRC's electronic submission rulemaking (and its associated guidance document; effective January 1, 2004). The documents were missing hidden texts and images scanned at <300DPI.

The file and images have been corrected in accordance with NRC Submission Guidance. Please submit the enclosed hard copy as the re-submittal to be in ADAMS.

If you have any questions, please do not hesitate to contact me at 202.739.8090; dxb@nei.org.

Sincerely,

Denise Bell
