SUMMARY

This refers to the letter dated August 19, 2010, (with attachments), email received from Danny Smiley on November 17, 2010, and various phone conversations (held November 16, 2010 through November 18, 2010) between, Robert West, John Kass, Mike Herr, and Colleen Carol Casey.

In the letter date August 19, 2010, it was requested that Robert West be named as your Radiation Safety Officer (RSO), however his training documentation was not sufficient to meet the requirements of Section 8.71 and Appendix G of NUREG 1556, Vol. 4, dated October 1998, "Consolidated Guidance about Materials Licenses: Program-Specific Guidance about Fixed Gauge Licenses." At this time we were unable to approve your amendment request.

As a result of our conversation held on November 16, 2010 and November 17, 2010, Mr. West had Mr. Smiley send us an email on November 17, 2010, we his training documentation. His training did meet the training requirements of the previously mention NUREG. However we will need a formal written response to delegate Mr. Smiley or any other qualified trained person as the RSO. We will also need their training documentation that meet the requirement of the NUREG specific references shown above.

Please note that certain sections of this NUREG have been modified since its last revision, as noted below:

As before, you will not be able to change and name your (Radiation Safety Officer) RSO internally; NRC must do that for you via the amendment process. For future reference, please include the name and qualifications of your proposed RSO. Mr. Smiley or any qualified RSO you propose needs to provide a written, signed and dated statement that stipulates they accept the RSO position and understands the duties and responsibilities associated with the position.

Upon receipt of your response we will resume our review, Address your written response to my attention at the above address and please be sure to reference Control No. 573447 to facilitate proper handling in our office. As a reminder, please provide the information requested in writing, accompanied by a transmittal letter appropriately dated and signed by a senior management official.

ACTION REQUIRED

Please submit the requested information within 4 calendar days (by November 20, 2010) by referencing control number **573447** to facilitate proper handling. Upon receipt of your response we will resume our review. Address your written response to my attention at the above address.
