POSTING OF NOTICES TO WORKERS - 10 CFR 19.11

Part 19 requires that each licensee post any Notice of Violation involving radiological working conditions, proposed imposition of civil penalty, or order issued pursuant to Subpart B of Part 2 of 10 CFR, and any response from the licensee.

Notices of Violation must be posted pursuant to Section 19.11 only when they contain one or more specific items of noncompliance related to radiological working conditions. Pursuant to Chapter 0800 of the IE Manual, citations will not be included in the Notice of Violation for matters which are identified and corrected by the licensee, and no citation will be made if such matters are not posted at the licensee's facility.

John G. Davis, Acting Director
Division of Field Operations
Office of Inspection and Enforcement
