Thanks, Judyth. For everyone - I've been in contact with the THPOs of the Eastern Shoshone (Vernon Hill) and the Northern Arapaho (Darlene Conrad). Both Tribes desire to be signatories on this MOA. Darlene may be a part of our teleconference, but Vernon will be in Denver, I believe. Ivan Posey, Chairman of the Eastern Shoshone Tribe will be the signatory. I'm not sure who will be for the Northern Arapaho. Talk to everyone, later.

I believe that we scheduled a conference call on this for 9am this morning. I'm probably going to miss it to deal with an emergency here. I'm attaching my comments and suggestions for the MOA. I've talked with Patrick Walker about the MOA and defer to him on anything that may still be a question since the field office will have the responsibility for carrying out BLM's obligations. I'll be available later today if there are issues still to be worked out. My apologies for missing the call.
