Subject: previous RAIs related to today's discussion with the NRC on CP FSAR 3.7.1

Dear Mr. Woodlan,

I would like to mention that in addition to CP RAI 122 Question 3.8.4-54, there are two other previous related questions, RAI 60 questions 3.7.2-2 and 3.7.2-3, that provided some explanation relevant to the NRC question on 3.7.1 in today's call.

The NRC reviewer may want to look at those questions before formulating the new RAI.

Best Regards,
Mike Thumm
