Don,

Our staff member responsible for this issue will be out of the office until December 13, 2010. I would like to see if we could schedule the call for Dec. 16, 2010.

Thank you

Ngola,

We believe we can support a clarifying conference call on Thursday or Friday of this week. Our biggest conflict is a conference call scheduled for 11am EST (for about 30 minutes) on Thursday. We can probably make almost any other time work. Please propose a day and time for the call.

Subject: RAI 2954 (CP RAI #75) Question 14.02-4

Don,

In response to RAI 2954 (CP RAI #75) Question 14.02-4 Luminant committed to follow RG 1.8. However, RG 1.8 is not applicable for Test Engineer qualification. We would like to setup a brief conference call to discuss this issue which has come up in other applications.

Please let us know when you are available to discuss.

Thank you
