John,

The call with the ACHP is for several projects the NRC is involved with. It is only between the NRC and the ACHP. It was only mentioned because Mary Hopkins wants to make sure that the ACHP is aware of the MOA. Sorry for the confusion.

Hi alan

I am out of the office so will review the final draft asap when I return. I have not sent it to the ag yet. Did you get a response from the achp if they were going to participate?

All,

It's been a while since we've met. Are we in agreement that this is the version that will be going forth?

Mary – have your attorneys reviewed this? Please let me know so we can finalize and distribute for signatures.

Thank you.

Hi Alan

I had a message from Judyth and I was incorrect – the NATHPO would be an invited party to the agreement. I attached a changed DRAFT document for distribution to everyone.
