Darlene,

Have you had a chance to review the MOA draft I sent to you last week? I need to know if your tribe wants to be a signatory on the document by today. If I do not hear from you by the end of the day, I will assume that the answer is NO. Thank you.

Subject: FW: Draft MOA

Darlene,

In accordance with our telephone conversation this morning, I am enclosing a draft copy of the MOA for the Lost Creek ISR site. Should you decide the Northern Arapaho be a signatory on this document, please designate who from your Tribe would be the signatory. I would need the full name and address so as to mail him/her a paper copy for signature. Also, if you decide to be a signatory, if there are any changes you would like to see made in the MOA, please let me know what they are - you may use track change, as this is a Word document.

Thank you.
