Dear Mr. One Feather:

A copy of the GEIS will go out in the mail to your attention today. A summary of public comments received on the draft GEIS and NRC's responses is found in Appendix G of the GEIS. Your comments were assigned a number beginning with 1388-xxx, where "xxx" is a specific identified comment.

If you have internet access, the GEIS is available at <http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1910/>, and Appendix G is in Volume 2.

If you have any further questions about the GEIS, please feel free to contact me.

Sincerely,

EX-6

Hello Mr. Park:

I should like to request a printed copy of the final version of NUREG-1910 Generic Environmental Impact Statement for In-Situ Leach Uranium Milling Facilities (both volumes and appendices). I feel that being listed as one of the many submitting comments on NUREG-1910, I should receive a copy of the final version to see the effects my comments had on the final version.

Thanks for your consideration.
