**Subject:** Revised Talking Points  
**Attachments:** Uranium One Talking Points July 24 2009 to OGC.doc

Attached is the revised talking points based on comments from Keith, Brad, and Joan. Note that Andrea added a new paragraph on the second page to address Brad's comment about schedules and she added several bullets under the GEIS delay heading on page 3. Keith and Patti, I'll let one of you forward to Larry when you are ok with the points.
