Subject: Thank You

Good Evening All,

Thank you all for your attention, dedication, and hard work on Friday. I realize it was a long, hard day, and your efforts were exemplary in getting through an agenda that was difficult, to say the least.

While we still have a couple minor issues to deal with relative to the mapping, you have accomplished a great deal. All of us should be thankful for the work of the local SG groups - their effort and detail made it a whole lot easier.

Our next meeting will be the 15th in Lander, and I will let you know where as soon as possible. I am hopeful we will be back in the same room, but need to confirm that before we set a date. We will meet at 9 again, and hopefully, be less time-consuming.

The following tasks remain to be completed:

1. Feedback from LWGs on mapping
2. Stipulations - Mary Flanderka has graciously agreed to put all of the existing and recommended stipulations into a single document that we can work from, and we will get that to you as soon as possible.
3. Conveyance Letter - I will get a draft of our letter to the Governor together in the next week or so, and get you a chance to look it over
4. Other Recommendations - please let me know if you have other thoughts that need to be addressed

The meeting at the end of the month will be at the Governor's discretion, but we will shoot for either the 28th or 29th in Cheyenne. Ryan will check out the best day for that meeting, and we will let you know.

There will be no notes from this meeting. The maps are the product.

Thanks again. I hope you all had a great weekend!
