In the Matter of
Pa'ina Hawaii, LLC
Docket No. 30-36974-ML; ASLBP No. 06-843-01-ML

Dear Administrative Judges:

The NRC Staff is filing the attached index to identify one document that should have been included with its hearing file and mandatory disclosure update filed on December 6, 2010. This document, an Excel spreadsheet, appears to have been omitted from the electronic hearing file because it was not submitted in the proper format. The Staff has since converted the document to Adobe format, and the document is now publicly available through the NRC's Agencywide Documents Access Management System (ADAMS).

The Staff has verified that its hearing file/mandatory disclosure update for December 2010 is now complete, as reflected in the attached affidavit.

Sincerely,

/RA/

Michael J. Clark
Counsel for NRC Staff

Enclosure: Attachment 1: Update to Hearing File Index
Affidavit of Johari A. Moore

AFFIDAVIT OF JOHARI A. MOORE CONCERNING MANDATORY
DISCLOSURE REQUIREMENT OF 10 C.F.R. § 2.336(c)

I, Johari A. Moore, do hereby state as follows:

1. I am employed as an Environmental Engineer in the Nuclear Regulatory Commission's Office of Federal and State Materials and Environmental Management Programs, Division of Waste Management and Environmental Protection, Environmental Protection and Performance Assessment Directorate. Among my responsibilities, I serve as Project Manager for the NRC Staff's environmental review related to Pa'ina Hawaii LLC's application for an NRC license. In this capacity, I am managing the preparation of the hearing file and mandatory disclosures associated with the Staff's Supplement to the Final Environmental Assessment for Pa'ina's proposed action.

2. I hereby certify that all materials the Staff must disclose in this proceeding under 10 C.F.R. § 2.336 (b) and (c) have been disclosed, and that the disclosures are accurate and complete as of the date of this certification.

3. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.
