Good Morning!

The next meeting of the SGIT will be held at the Wyoming Contractors Association training center in Casper. The WCA is located about one mile north of town - take the Bryan Stock Trail exit from I25 and cross the river, and the center will be on your left, just at the crest of the hill.

We will begin at 10 am and conclude by 4 if possible. Four local working groups have met and refined the mapping effort, and we will look at those, as well as a discussion about the process used from here forward to permit in core areas. We will also review the recommendations relative to connectivity.

I will try to get the last meeting summary done tomorrow and out to you by Thursday. Thanks!
