SUBJECT: ACKNOWLEDGMENT LETTER – RECEIPT OF APPLICATION FOR THE  
MODEL NOS. SENTRY 110, SENTRY 330, AND SENTRY 867 TRANSPORT  
PACKAGING SYSTEMS

Dear Ms. Podolak:

On November 5, 2010, QSA Global, Inc., submitted an application for a Certificate of Compliance (CoC) for the Model Nos. SENTRY 110, SENTRY 330, and SENTRY 867 Transport Packaging Systems.

This letter acknowledges receipt of your application which contains enough information for a detailed technical review. The current schedule allows for the staff to issue a Request for Additional Information (RAI) letter in early March 2011. The CoC may be issued mid-June 2011 if there is only one round of RAIs as a result of the technical review. To meet the schedule, it is incumbent upon QSA Global, Inc., to respond promptly and comprehensively to any RAI.

In general, no additional changes to your application will be allowed except for those changes that result in responding to RAIs. Additional changes, supplements, or enhancements beyond the scope of your letter dated December 1, 2010, may be treated as a new application.

Please reference Docket No. 71-9357 and TAC No. L24487 in future correspondence related to this licensing action. If you have any questions regarding this matter, you may contact me at (301) 492-3408.

Sincerely,
