Rick

Attached is an initial cut at a plan for the week of July 12. As we've discussed on the phone, we're aiming to see the Glades and Okeechobee sites on Monday, and the Martin and St. Lucie sites on Tuesday.

We should have a call some time in the next week or so to talk about the site visits. In particular, we'll probably want to see a bit more of the Martin site than we did during pre-app (e.g., the existing cooling water reservoir).
