*Re: License #31-23868-01E*

3 December 2010

Dear Mr Struckmeyer,

Following the visit of Mr Dennis Lawyer to our offices this week, I wish to formally request termination of the above license.

I can confirm that The Henri Stern Watch Agency no longer stocks or distributes watches featuring tritium dials or hands, nor does the company store either hands or dials featuring tritium, as spare parts.

Our parent company, Patek Philippe, Geneva, ceased production of watches featuring tritium dials and /or hands at the end of 2004. Production of dials and hands for use as spare parts also ceased.
