Re: License 20-02804-03E, amendment to change name of licensee.

Effective COB on Monday November 29 2010, PerkinElmer Optoelectronics (IDS) was purchased by Veritas, a private equity company. The Veritas group owns a variety of companies, under different names, it is not a corporation. As part of Veritas, our business is now called Excelitas Technologies.

Excelitas Technologies includes all of the business units formerly in the PerkinElmer Optoelectronics (aka PerkinElmer IDS) segment of PerkinElmer Corporation.

Because of this change we need to amend our materials license. The only change required is line 1, in the Licensee section. Change from PerkinElmer Optoelectronics to Excelitas Technologies.
