SUBJECT: PAPASTAVROS' ASSOCIATES MEDICAL IMAGING, LLC, VOIDANCE OF APPLICATION FOR LICENSE AMENDMENT, CONTROL NO. 573648

Dear Dr. Koniver:

This concerns the subject application for an Amendment to your material license. We have determined that the action is unnecessary since all mobile PET operations were removed from your NRC license in Amendment No. 33, dated October 4, 2010. In addition, Donna Grace, Office Manager, confirmed during a telephone conversation on December 13, 2010 that mobile PET operations have not resumed. We have, therefore, voided your application. This action is taken without prejudice to the resubmission of your request.

Sincerely,
