**Related Case:** \_\_\_\_\_

To Whom It May Concern:

Please provide me with the following information:

Names of proposals with their Principal Investigators (PIs) and affiliations that were awarded funding for FY 2010 under Minority Serving Institutions Grant Program Awards. In the NRC webpage for grants awarded (<http://www.nrc.gov/about-nrc/grants/awards.html>), the above information is available for all categories except for Minority Serving Institutions Grant Program Awards for FY 2010.

Names of proposals with their PIs and affiliations that were recommended for funding by the review panel, but they were not awarded funding for the above funding opportunity (SBCR-FN-0210-MSIP01).

Your assistance with the above request is greatly appreciated.
